

Giorgia Fedele

giorgia.fedele@unimi.it

PhD student of the 37° cycle.

ORCID: 0000-0002-7974-6299

Graduated in Medical Biotechnology and Molecular Medicine on February 2020 at the University of Milan, Giorgia is now enrolled in the PhD program in Experimental Medicine. During her PhD she will work with the 3D culture system of human organoids, focusing her attention on the inflammatory response and inflammation-associated diseases.
