Looking for a PhD position?

If you would like to **join the international PhD program in Experimental Medicine or get some knowledge about it**, the Coordinator is inviting you to join as at **the virtual open day, on August 3rd, 3.30 pm**. We will present the course, its organization and main activities, and **provide guidance on how to apply**

correctly and prepare yourself for the selection! We will inform you about the research projects available for the new enrolment and respond to any question.

To attend our meeting, you have to register, clicking here:

<https://docs.google.com/forms/d/1Tqv3mTCjFsrAHJCBJSv1TrmxUDaAmE85XtN-ywdwvl8/edit?ts=62dbb9b3>

Please be aware that to avoid any unpleasant accident, only those recordings with a clear name and surname will have access to the Zoom.

In the meanwhile, since we care of you, we would like to remind you that during the enrolment, that will occur within the 30 of September, you will have to submit a **B2 level English certificate** or for candidates of the University of Milan a language statement from SLAM obtained as part of the degree programme. The statement must have been issued no more than four years prior to enrolment.
