

Simone Balin

simone.balin@unimi.it

PhD Student of the 38th cycle

ORCID: 0000-0002-5343-2523

Graduated in Medical Biotechnology and Molecular Medicine in 2022 at the University of Milan, Simone is now enrolled in the international PhD program in Experimental Medicine under the supervision of Professor Silvia Della Bella. His project is focused on the characterization of the immune dysregulation that occur in patients affected by thymic epithelial tumors, a model at the crossroad between cancer immunology and autoimmunity.
