<a href="#">Improving Your Statistical Skills in Biomedical Sciences</a>	Gianfranco Alicandro [alicandro.gianfranco@unimi.it]	<b>January 2024</b> 22/24/29.01.2024 (9:30-13:00)	Compulsory for cycle 39
<a href="#">Quantification and Characterization of Extracellular Vesicles in Biomedical Research</a>	Silvia Della Bella [silvia.dellabella@unimi.it]	<b>January 2024</b> 18/19.01.2024	Optional
<a href="#">Advanced Biomedical Statistics</a>	Alicandro Gianfranco [alicandro.gianfranco@unimi.it]	<b>February 2024</b> 12/16/19.02.2024 (9:30-13:00)	Compulsory for cycle 38
<a href="#">Single Cell Sequencing: A Deep Dive Into Dissecting Cell Populations At Single Cell Level</a>	Massimiliano Pagani [massimiliano.pagani@unimi.it]	June 2024 Day TBD	Compulsory for cycle 38

The University Catalogue lists specialist courses to be included in your individual study plan. All students enrolled in the PhD programmes of the University of Milan can access the Catalogue [<https://www.unimi.it/en/education/postgraduate-and-continuing-education-programmes/doctoral-programmes-phd/phd-courses-list>]

**How to enrol** [<https://www.unimi.it/en/education/postgraduate-and-continuing-education-programmes/doctoral-programmes-phd/phd-courses-list>]

The deadline to enrol in PhD courses is usually the 27th day of the month prior to the start date of each course. As an exception to this rule, for courses starting in November 2023 enrolments are open until 30 October 2023. For organisational reasons, however, we advise PhD students to enrol before the start date of each course. For help please contact [phd@unimi.it](mailto:phd@unimi.it)
