

Valentina Traini

valentina.traini@unimi.it

PhD Student of the 39th cycle

ORCID: 0009-0008-5875-2623

After graduating in Medical Biotechnology and Molecular Medicine at the University of Milan, she worked as a research fellow at the Laboratory of Hematology, Fondazione IRCCS Cà Granda Ospedale Maggiore Policlinico.

She is currently enrolled in the international PhD program in Experimental Medicine and works under the supervision of Professor Niccolò Bolli. Her project aims to biologically and molecularly elucidate the role of the recently identified organelle named paraspeckle and its protein components in Multiple Myeloma pathogenesis.
