[francesca.postogna@unimi.it](mailto:francesca.postogna@unimi.it)

**PhD Student of the XL cycle**

**ORCID: 0009-0005-2584-0254**

Graduated in Neuroscience in 2023 at the University of Trieste, Francesca worked as a research fellow at the University of Milan.

She is currently enrolled in the in the PhD program in Experimental Medicine, working under the supervision of Angelisa Frasca.

Her project aims to investigate the astrocyte-neuron interaction in the pathogenesis of Rett syndrome, focusing in particular on the role of astrocyte-derived extracellular vesicles.
