

# Sadhana Jonnalagadda

PhD student of the XLI cycle

ORCID: 0009-0006-6491-2537

After graduating in Medical Biotechnology and Molecular Medicine from the University of Milan in 2023, Sadhana joined the Hematology department at Istituto Nazionale dei Tumori as a research fellow. She is now enrolled in the international PhD program in Experimental Medicine in the same laboratory under the supervision of Professor Paolo Corradini.

Her PhD project focuses on understanding how monocytes and systemic inflammation shape response and resistance to CAR T-cell therapies in B-cell lymphomas.
